The purpose of the procedure is to secure at the lowest possible level an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement, and to resolve grievances as soon as possible so as to secure efficiency and promote Employee morale. The parties agree that this procedure will be kept as informal as may be appropriate.

B. Definition

1. The term "grievance" as used herein means any controversy arising over the interpretation or application of the terms and conditions of this Agreement, and may be raised by any Employee, the P.B.A., or the Township.

2. The term "work days" shall herein mean calendar days unless the "final" day falls on Saturday, Sunday or Legal Holiday wherein the final day would be the next "public business day".

C. Steps of the Grievance Procedure

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in the entirety unless any step is waived by mutual consent of the parties.

Step One

An aggrieved Employee shall institute action under the provisions hereof within ten (10) days of the act being grieved by informally discussing the matter with his immediate superior, and an earnest effort shall be made to settle the grievance informally. Failure to act within the said ten (10) days shall be deemed to constitute an abandonment and waiver of the grievance. The immediate Superior shall render a decision within two (2) days after receipt of the grievance.

Step Two

In the event the grievance is not settled by Step One, the grievance shall be reduced to writing by the grievant setting forth the nature of the grievance, the facts upon which it is based, the provision of the Agreement allegedly violated, and the remedy requested, signed by him, and filed with the Chief of Police, or other Employer designated representative, within seven (7) days following the determination made in Step One. The Chief of Police, or other Employer designated representative, shall render a decision in writing within seven (7) days from the receipt of the grievance,

Step Three

In the event the grievance is not settled by Step Two, the within two (2) days following the determination of the Chief of Police or the Employer designated representative, the matter shall be filed with the Township Council who shall render the decision in writing within ten (10) days from the receipt of the grievance.

Step Four

(a). In the event the grievance is not resolved by Step Three, then within the ten (10) days following the determination by the Township Council, the matter shall be submitted by the PBA and the Township to binding arbitration under the rules and regulations of the New Jersey Public Employment Relations Commission. Unless the parties agree otherwise, no more than one (1) substantive issue shall be presented to an arbitrator in any single case.

(b). However, no arbitration hearing shall be scheduled sooner than thirty (30) days after the final decision of the Township Council. In the event the aggrieved elects to pursue Civil Service procedures, the arbitration hearing shall be canceled and the matter withdrawn from arbitration.

(c). The arbitrator shall be bound by the provisions of this Agreement and restricted to the application of the facts presented to him involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from, or alter in any way the provisions of the agreement or any agreement supplement

thereto.

(d). The decision of the arbitrator shall be in writing with the reasons therefore and shall be binding upon the parties subject, however, to any applicable statutes and case law available to the parties.

(e). The cost for the services of the arbitration shall be borne equally by the Township and the PBA. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.

D. Time

The time limit set herein shall be strictly adhered to, and failure to process a grievance to the next step within the specified time limit shall be deemed to mean that the grievant has accepted the latest determination made. However, upon mutual consent of the parties, the time limits for any step may be extended or contracted.

E. Compensation

In the event a grievance involving a monetary award is upheld, the grievant will be financially compensated in accordance with the decision of the arbitrator in the next overtime check after the receipt of the arbitration award.

ARTICLE XV

Actions Against Police Officers

The Township shall provided full services as required by State Law where actions are brought against Police Officers. The Township will provide all Police Officers with false arrest insurance.

ARTICLE XVI

Management Rights

A. The Township of Lopatcong hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey, and of the United States, including but not without limiting the generality of the foregoing, the following rights:

1. To hire all Employees, and subject to the provisions of law, to determine their qualifications and conditions for continued employment or assignment, except as specifically limited herein, and to promote and transfer Employees.

2. (a). To suspend, demote, discharge, or take any other disciplinary action for good and just cause according to law.

(b). In the exercise of the foregoing powers, rights, authority, duties and responsibilities of the Township, the adoption of policies, rules, regulations and practices and the furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and applicable law.

B. Nothing contained herein shall be construed to deny or restrict the Township of its rights, responsibilities and authority under N.J.S.A. 40:1-1 et.seq. and N.J.S.A. 40A:1-1 et.seq. or any other federal or state laws.

ARTICLE XVII

No-Strike Pledge

A. The PBA covenants and agrees that during the term of this Agreement neither the PBA nor any person acting in its behalf will cause, authorize, condone or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty, or willful absence of any Employee from his position), work stoppage or walkout which interferes with the normal operations of the Township. The PBA agrees that such action would constitute a material breach of this Agreement.

B. In the event of a strike, work stoppage or other job action interfering with normal operations of the Department, it is covenanted and agreed that participation in any such activity by any Employee covered by this Agreement shall be deemed grounds for discipline of such Employee or Employees, subject however to the Grievance Procedure and the provisions of Title 40.

C. The PBA will actively discourage any of its members, or persons acting in their behalf, from taking part in any strike, walkout or job action interfering with normal operation and will take whatever affirmative steps are necessary to prevent and terminate such illegal action.

D. Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief as it may be entitled to have in law or inequity for injunction or damages or both in the event of such breach by the PBA, its members, or any person acting on its behalf.

ARTICLE XVIII

Extra Contract Agreements

The Township agrees not to enter into any other Agreement or contract with the Employees covered by this Agreement, individually or collectively, or with any other organization which in any way conflicts with the terms and provisions of this Agreement unless the PBA agrees to any change in writing.

ARTICLE XIX

Mutual Aid

Employees while rendering aid to another community are fully covered by Workmen's Compensation, Liability Insurance and pensions as provided by State Law. This coverage shall apply to an Employee acting in the line of duty whether officially on-duty or off-duty. As long as he is upholding the oath of office, no Employee shall suffer any non-compensable loss should injury occur when acting in the line of duty at any time.

ARTICLE XX

Retention of Benefits

Those provisions of Municipal Ordinance which are applicable to Employees covered by this Agreement shall remain in full force and effect, except as modified herein, during the term of this Agreement, and shall be incorporated in this Agreement as if set forth herein at length.

ARTICLE XXI

Work Schedules

A. The authority to schedule work rests with the Employer exclusively. A normal work year shall consist of a number of hours equal to eight (8) times the number of days in the given year excluding Saturdays and Sundays (2080 hours per year). Employees shall accrue hours to fulfill the requirements of the normal work year in the following manner:

1. WORK SCHEDULE- A three (3) month work schedule to be published by the Chief or designee with input from the Employees in the Department.

2. REGULAR SCHEDULED DUTY- Actual hours spent on duty shall be credited to the fulfillment of the normal work year.

3. TRAINING- Actual hours spent on assigned training shall be credited to the fulfillment of the normal work year.

4. HOLIDAY LEAVE- Twelve (12) hours per authorized Holiday

5. VACATION- Twelve (12) hours per authorized vacation day.

6. SICK LEAVE- Twelve (12) hours per authorized and used sick leave day.

7. FUNERAL LEAVE- Twelve (12) hours per authorized funeral leave day.

B. An officer working alone will be compensated at double time his hourly rate.

C. Two (2) regular police officers covered by this Agreement exclusive of the Chief of Police, shall be granted vacation leave from the work schedule on any given day of the calendar year, provided however, that there shall be sufficient existing and available manpower of police officers to function and operate the police Department. This provision anticipates at least (8) Employees within the Department, exclusive of the Police Chief, as well as the availability of reasonable overtime being utilized by the Police Chief in scheduling shifts.

Notwithstanding the above, the following four (4) days constituting an exception shall be scheduled as herein set forth, the four (4) days being December 24th, 25th, 31st and January 1st. On these specific dates, the police officers covered by this Agreement shall not request vacation or personal leave and the Chief of Police shall not grant vacation or personal leave so as to provide the Police Chief with full manpower strength with which to cover the work schedule and to grant the highest number of officers off from the work schedule on the

four (4) dates specified, as their regular scheduled days off.

On the four (4) days specified, the Police Chief will equitably divide the number of Employees covered by this Agreement into two (2) groups. The Employees in one group will be required to work on December 24th and 25th while the Employees in the second group will be given these two (2) consecutive days off as their regular scheduled days off for that period. The Chief will then schedule the personnel who were given off on December 24th and 25th, to work December 31st and January 1st, and schedule the personnel who worked December 24th and 25th, to be off on December 31st and January 1st, consecutively as their regular scheduled days off for that period. This altered schedule shall be in effect commencing on December 24, 1985 and will be rotated each year in a manner that will guarantee that each officer covered by this Agreement will receive either December 24 and 25, or December 31 and January 1 off from the work schedule, but will never be given off the same two (2) consecutive dates for more than one (1) year in a row.

The Employees covered by this Agreement realize that until such time as more personnel are added to the Department, the above arrangement may require the Police Chief to cover a twenty-four (24) hour schedule, which requires five (5) officers to cover as outlined in Section B of Article XXIII, with only four (4) officers. With it being impossible to cover the three eight (8) hour shifts of any given twenty-four hour day in

the manner described in Section B, Article XIII with four officers, the Employees covered by this Agreement voluntarily agree to allow the Police Chief to alter the work schedule on the four days specified and require any of the officers who are scheduled to work any of the four days specified, to work up to four hours overtime to be paid at the overtime rate applicable for the date worked in order to accomplish the aforementioned goal. The Police Chief shall however, first offer the vacancy as overtime to each officer who is scheduled off on the day in question, in order of seniority, to be paid at the overtime rate applicable for the date in question, and second, in the event that no off duty officer wishes to work, the Police Chief offers the vacancy to the officers who are required to work on a voluntary basis, in order of seniority, as overtime to be paid at the overtime rate applicable for the date in question. If after exhausting these two methods of covering the vacancy, the Police Chief still has no one who voluntarily agrees to cover the said vacancy, he may divide the vacancy as equally as possible

among the officers who are required to work.

If either the PBA or the Employer cannot agree on the altered schedule for these four (4) specific dates by September 15 of the given year, then the Committee of two (2) officers covered by this Agreement, the Chief of Police, and the Township Councilman in Charge of the Police Department shall meet to resolve the conflict.

D. Before any major change in the department work schedule is made, the Police Chief shall meet with and explain the change to the bargaining unit of the PBA. In any event, there shall be a three (3) day notice of any changes in the work schedule other than those caused by sickness or emergencies.

E. In determining the officer in charge for any specific shift, the Police Chief shall give due regard for the Police Officer's rank and seniority.

ARTICLE XXII

Agency Shop Provision

A. Purpose of Fee: If any Employee covered by this Agreement does not become a member of the PBA during any membership year (i.e., from January 1st to the following December 31st) which is covered in whole or part by this Agreement, said Employee will be required to pay a representation fee to the PBA for that past year. The purpose of this fee will be to offset the Employee's per capita cost of services rendered by the PBA as majority representative.

B. Amount of Fee

1. Notification

Prior to the beginning of each membership year, the PBA will notify the Township in writing of the amount of the regular membership dues, initiation fees and assessments charged by the PBA to its own members for that membership year. The representation fee to be paid by nonmembers will be equal to 85% of that amount.

2. Legal Maximum

In order to adequately offset the per capita cost of services rendered by the PBA as majority representative, the representative fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the PBA to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the membership year immediately following the effective date of the change.

C. Deduction and Transmission of Fee

1. Notification: Once during each membership year covered in whole or in part by this Agreement, the PBA will submit to the Township a list of those Employees who have not become members of the PBA for the then current membership year. The Township will deduct from the salaries of such Employees, in accordance with paragraph 2 below, the full amount of the representation fee and promptly transmit the amount so deducted to the PBA.

2. Payroll Deduction Schedule: The Township will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each Employee on the aforesaid list during the remainder of the membership year in question and until such time as a new Agreement is executed. The deductions will begin with the first paycheck paid:

- a. Ten (10) days after receipt of the aforesaid list by the Township; or
- b. Twenty (20) days after the Employee begins his or her employment in a bargaining unit position, unless the Employee previously served in a bargaining unit position and continued in the employ of the Township in a non-bargaining unit position, or was on layoff, in which event the resumption of the employment in a bargaining unit position, whichever is the later.

3. Termination of Employment: If the Employee who is required to pay a representation fee terminates his or her employment with the Township before the PBA has received the full amount of the representation fee to which it is entitled under this article, the Township will deduct his unpaid portion of the fee from the last paycheck to said Employee during the membership year in question.

4. Mechanics: Except as otherwise provided in this article, the mechanics for the deduction of representation fees and the transmission of such fees to the PBA will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the PBA.

5. Changes: The PBA will notify the Township in writing of any changes in the list provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Township received said notice.

6. New Employees: On or about the last day of each month, beginning with the month this Agreement becomes effective, the Township will submit to the PBA a list of all Employees who began their employment in a bargaining unit position during the preceding 30 day period. The list will include names, job titles and dates of employment for all such Employees.

D. The PBA agrees to establish and maintain a "demand and return" system whereby Employees who are required to pay the representation fee in lieu of dues may demand the return of the "pro rata share", if any,

subject to refund in accordance with the provisions of N.J.S.A.34:13A-5.4, as amended. Such proceedings shall provide for an appeal by either the PBA or the Employee to the review board established for such purposes and in accordance with 34:13A-5.4, as amended.

E. The union shall indemnify and hold harmless the employer against any and all claims, demands, suits and other forms of liability that shall arise out of, or by reason of any action taken or not taken by the employer based upon the request of the PBA for the purpose of complying with any of the provisions of this article.

ARTICLE XXIII

Separability and Savings

A. The Township and the PBA agree to abide fully by the provisions of existing Presidential Orders and Legislation, and applicable future Presidential Orders and Legislation concerning wages and salaries. In the event any or all the salary increases and other economic benefits for the 2002 or beyond cannot legally be made effective for the above reasons, such increases shall be omitted or proportionately adjusted according to law.

B. In the event that any provision of this Agreement shall, at any time be declared invalid by Legislative Acts or any Court of Competent Jurisdiction, or through Government regulation or decree, through other than municipal actions, such decision shall not invalidate the entire Agreement, it being the express intent of the parties that all provisions not declared invalid shall remain in full force and effect.

ARTICLE XXIV

Fully Bargained Provisions

A. This Agreement represents and incorporates the complete and final understanding and settlement by the parties on all bargain able issues which were or could have been the subject of negotiations. During the terms of this Agreement, neither party will be required to negotiate with respect to any such matter, whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

B. Provisions in this Agreements contained in Article VI, Section A; and Article VII, Section B2, denoted within brackets [] anticipate at least nine (9) Employees, exclusive of the Chief, within the Department. Should the Employer choose to allow a reduction after January 1995, to less than nine Employees, exclusive of the Chief, without replacement, the provisions denoted in brackets [] shall be void.

C. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE XXV

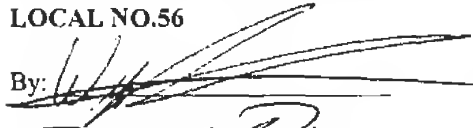

Term and Renewal

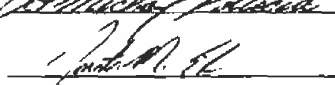

This Agreement shall be in full force and effect retroactively as of January 01, 2005, and shall remain in effect up to and including December 31, 2007. This Agreement shall continue in full force and affect from year to year thereafter, unless one party or the other gives notice, in writing, no sooner than one hundred and fifty (150) days nor later than ninety (90) days prior to the expiration date of this Agreement of a desire to change, modify, or terminate this Agreement. In the event such written notice is given and a new contract is not signed before the expiration date of the old contract, this Agreement is to continue in full force and effect until a new contract is signed.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals at the Township of Lopatcong, County of Warren and State of New Jersey on this 28th day of September, 2005.
